

**“I can’t thank Nancey enough for all the support and encouragement that she gave me while I was pregnant.** I can’t imagine going through the pregnancy without her. She truly understands women. Nancey helped me get through all of my anxieties of my transition into motherhood, all while making me feel like it was normal to feel the way I did. It helped tremendously throughout the pregnancy. She is truly with you on your journey through pregnancy and delivery. She is amazing!” — KATIE
